# SIGNAGE - ARTWORK - LIGHTING

Bindopor established in 1985, has been designing and manufacturing customized **Artwork, Signage & Lighting** solutions and complementary products for the Hospitality & Tourism sector, also addressing the Art/Museum community and the Healthcare market.

We have “merged” **SIGNS, LIGHTING** and **ART**, offering a complete bespoke Signage, Lighting and Artwork program.

We provide logistics and professional onsite installation around the world – wherever you want it, whenever you need it.

# SIGNAGE - ARTWORK - LIGHTING

Our Design & Development team (D&D) plays a central key role within our structure, allowing us to plan and develop customized Sign, Lighting and Artwork Solutions which are specifically designed and produced for each individual project.

Bindopor's production structure is geared to manufacture unique bespoke tailor made solutions, which are the result of our D&D department collaborative work with Architects and Interior Designers, our main prescribers and specifiers.

Our manufacturing process combine High End Technology with handcraft expertise.

# WAYFINDING CONSULTANCY

Bindopor provides a 4 level wayfinding and sign design consultancy services to Hotel Brands, Hotel Operators, Architects and Interior Designers and Procurement specialists.

We offer a turn-key signage package from A to Z, which include the Wayfinding project itself, the conceptual Sign design development, project management, manufacturing, on-site installation, and on-going maintenance.

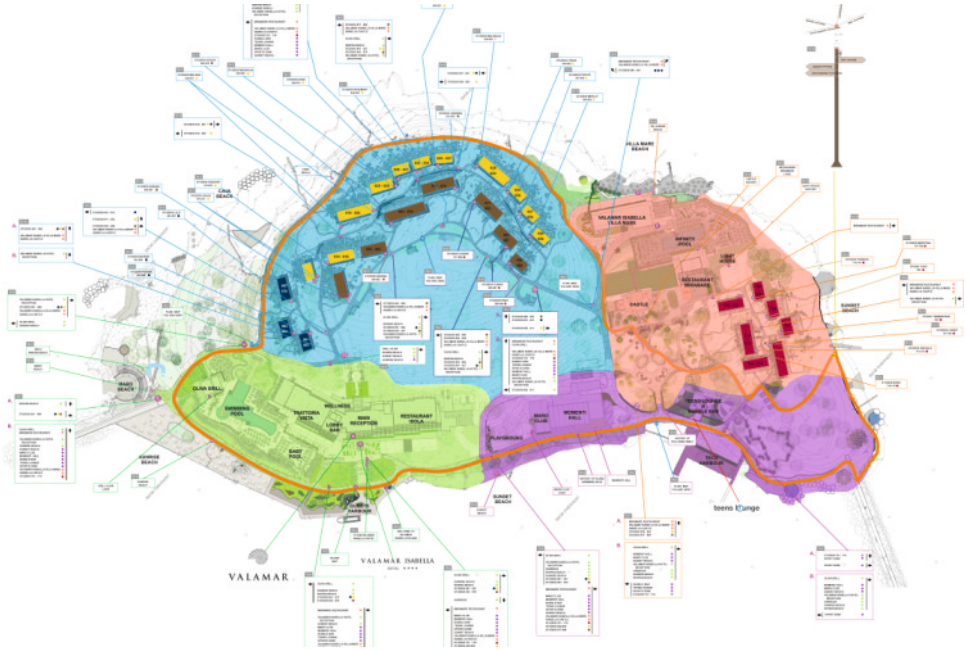

Any of these 4 levels can be provided separately.

**Step 1 – Planning**
At this level we study the building and exterior surrounding areas to determine the overall wayfinding strategy. It includes sign specification (messages/text/specific information), sign location, sign schedule, digital marked up plans. Operational requirements for guests and visitors circulation is taken in consideration, including pedestrian and traffic circulation.

**Step 2 – Design concept and technical specifications**
Signage Design development in close collaborative liaison with customer Design & Architecture team. We deal with the product design, choice of materials, graphical and technical details including color scheme, typography and manufacturing specifications. We take in consideration both the aesthetics and the manufacturing details to ensure the right product at an adequate controlled cost.

**Step 3 – Prototyping and mockup**
Manufacturing MUR for final client/brand approval, including on-site testing.

**Step 4 – Manufacturing and installation**
Once Signage package is approved, manufacturing will take place followed by the on-site installation.
